**Re: Approval of FIL New Zealand products**

The following FIL New Zealand products have been approved by AsureQuality for use on organic farms certified to Ministry for Primary Industries *Official Organic Assurance Programme: Technical Rules* and *USDA National Organic Program*;

Product Trade Name	ACVM Registration Number
ACTIVE TEAT CREAM	A010764
BLOATEZE DFA	A009084

Conditions of use on organic farms are specified in the approved Organic Management Plan of the operator, as the conditions of use may vary depending on the standards and markets the operator is certified to.
