IMPACT BLUE

Low foam heavy duty chlorinated alkaline detergent sachets
Milking Machine and Silo Cleaner

DIRECTIONS FOR USE

MILKING MACHINES - AFTER MILKING

1. Rinse plant with a minimum of 10L of cold water per cluster.
2. Wash with hot water (85°C) containing Impact Blue (1x 300g sachet per 200 litres of water). Recirculate for 5 minutes, then discard when water temperature drops to 55°C.
3. Rinse plant with cold water.
4. Wash the plant with a cold water acid solution following label instructions on one of the Quantum range of acids or Impact Red, ensuring a cold water rinse on completion.
5. Ensure compliance with post-cleaning rinse requirements.
6. Use compliant water only. It is recommended an Impact Blue wash be put through the milking plant twice weekly or more frequently if water quality or cleaning system requires it.

MILK SILO

1. Rinse silo with cold water to remove milk residues.
2. Wash with hot water (85°C) containing Impact Blue (1x 300g sachet per 200 litres of water). Recirculate for 3 - 5 minutes, then discard when water temperature drops to 55°C.
3. Rinse silo with cold water.
4. Wash the silo with a cold water acid solution following label instructions on one of the Quantum range of acids or Impact Red, ensuring a cold water rinse on completion.
5. Open valve and drain liquid residues.
6. Use compliant water only. It is recommended an Impact Blue wash is put through the milk silo twice weekly or more frequently if water quality or cleaning system requires it.

DANGEROUS GOODS: 8

HAZARD STATEMENTS

Harmful if swallowed, in contact with skin or inhaled. May be corrosive to metals. Causes severe skin burns and eye damage. May cause long lasting harmful effects to aquatic life and terrestrial vertebrates.

PREVENTION STATEMENTS

Keep out of reach of children; Read label and Safety Data Sheet before use; Keep only in original container; Do not breathe vapours/spray; Wash hands thoroughly after handling; Do not eat, drink or smoke when using this product; Use only outdoors or in a well-ventilated area; Avoid release to the environment; Wear protective gloves, protective clothing and eye/face protection.

RESPONSE STATEMENTS

If medical advice is needed, have product or label at hand. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Immediately dilute with 1 glass of water or milk. Call a POISON CENTRE or doctor if you feel unwell. IF ON SKIN (or hair): Wash with plenty of soap and water. Immediately remove all contaminated clothing. IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. IF IN EYES: rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If irritation or discomfort persists, Call a POISON CENTRE or doctor. Absorb spillage to prevent material damage.

STORAGE STATEMENTS

Store locked up. Store in corrosive resistant (possibly stainless steel) container with resistant inner liner.

DISPOSAL STATEMENTS

Dispose of empty containers safely in accordance with local regulations. Avoid contamination of any water supply with chemical or empty container. PRODUCT DISPOSAL: Dispose of container and unused contents in accordance with local regulations. Keep records of date, time, quantity & location of discharge, name & address of user.
