SPRAY IODINE

Calf Navel Antiseptic

By law, the user must take due care, seeking expert advice if necessary, to avoid unnecessary pain or distress in the treated animal when using the product other than as directed on the label.

DIRECTIONS FOR USE:
Apply directly to assist in the sanitisation of calf navels once per day for a maximum of three days.

4665-012

HAZARD

Flammable liquid and vapour. Causes skin irritation. Causes serious eye irritation. May cause an allergic skin reaction. May cause damage to organs (single exposure). May cause damage to organs through prolonged or repeated exposure.

PREVENTION

Read label and Safety Data Sheet before use. Keep away from heat. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion proof ventilating equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Do not breathe vapours. Wash hands thoroughly after handling. Do not eat drink or smoke while using this product. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the

environment. Wear protective gloves and eye/face protection.

RESPONSE

IF ON SKIN: Wash with plenty of soap and water. IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention if you feel unwell. If skin irritation or rash occurs: Get medical attention. If eye irritation persists: Get medical attention. Take off contaminated clothing and wash before reuse. Collect spillage.

STORAGE

Store in a well ventilated place. Keep cool. Store locked up.

DISPOSAL

Dispose of product or empty containers safely. Avoid contamination of any water

supply with product or empty container. Ethanol: Land Spill - Apply appropriate foam to diminish vapour and fire hazard. Water spill - Use natural barriers or oil spill control booms to limit spill travel. Allow to aerate. Air spill - Apply water spray or mist to knock down vapours.
